## President's Letter

By Lynn Flieger Countryman

### Winds of Change

*"Autumn leaves shower like gold, like rainbows, as the winds of change begin to blow, signaling the later days of autumn." - David Millman*

The sight of autumn colors in the trees signals a transformation of the seasons. In Colorado the snowstorms could soon follow the display of beautiful fall foliage. In preparation for the wintry assault, TerraCare Associates was chosen as the new snow removal contractor. Spectrum management previous experience working with the company; their prices were comparable to the other vendors.

JBK landscaping has finished most of their fall cleanup throughout the property that included stump grinding, small tree removal and trimming of broken branches. Elizabeth Woods and the pruning crews have done an excellent job maintaining the common property this year. We appreciate the attention to detail that they have extended to us.

The Board would like to thank the Architectural Control Committee (ACC) for the great work that they have done on behalf of the HOA. The ACC would welcome new volunteers to join this committee in the spring. It is a good way to learn about the community.

Last month Board member Buzz Van Welden chose an earlier resignation from the Board of Directors. However he will continue to remain involved with the HOA by serving as a member of the ACC. Following the election, an appointment will be made by the Board to fill out the remainder of his term. The Board respects his decision to step down at this time. Buzz has served on the Board during two different complex periods that included the TH roof litigation and the recent loss of HOA property management company, CAM search committee and the subsequent transition to Spectrum Associates. During both of Buzz's tenures, the Board was appreciative of his thoughtful insights and calm demeanor. He will be missed.

The Annual Meeting will be held on Thursday, October 13 in the WCIII Clubhouse at 7PM. All homeowners are invited to attend. Two Board Directors will be elected during the meeting. This year there were four candidates who expressed interest in running the two Board positions. The association's attorney Tim Moeller will be in attendance to answer questions during the Open Forum. The accountant from Spectrum Associates, Ms Donna Crow will present an overview of the updated financials. If completed by the Annual meeting, there will be a report of the Auditor's findings. Homeowners are reminded to vote.

The Association has come a long way from the distractions experienced last year and have residents have participated in many changes and modifications. We have finally settled into a comfortable rhythm. Thank you for everyone for your support.

We expect to have a fun and inspiring evening:)

# ACC CORNER

## October 2016

Several properties are currently for sale in our community. Real Estate agents like to display their signs prominently for obvious reasons. However, the guidelines and the covenants provide specific instructions for the display of Real Estate signs. Basically signs can't be placed on H.O.A. property without ACC approval and in the townhome section signs can only be placed between the sidewalk and the townhome for an appropriate length of time. Lately several signs have appeared on common property; a violation of the covenants. Realtors need to be aware of these restrictions and place their signs appropriately. When listing your property, please inform your Realtor about the correct placement of for-sale signage.

## Arapahoe County Sheriff's Updates

### Stopping Mail Theft and Fraud

Every day, the U.S. Postal Service delivers about 700 million pieces of mail to U.S. households and businesses. Around the country and in Arapahoe County, some of that mail never makes it into the hands of the intended recipient. Cases of mail theft and mail fraud are on the rise in areas of Arapahoe County. In some cases, people are stealing mail and packages from mailboxes, sometimes immediately after the postal worker drives away. Checks can then be cashed by the criminal or the victim's personal information could be used and their identity stolen. Both the USPS and Arapahoe County Sheriff's Office work hard to protect your mail, but there are steps you can take to ensure your mail and identity stay secure.

If you are going out of town, it's a good idea to either contact your local Post Office and place your mail on hold, or have a trusted neighbor or friend pick up your mail and any packages that may be delivered. Most importantly, if you believe you are a victim of mail theft or fraud, contact your local Postal Inspector and law enforcement agency.

### DO

- Take outgoing mail to the Post Office
- Pick up mail right after delivery
- Notify Post Office of address changes
- Place hold on mail when going out of town
- Report suspected theft to law enforcement and Post Office

### DON'T

- Leave mail overnight
- Send cash in the mail
- Give out personal information by mail
- Delay if you think your mail has been stolen

## Centennial News Update

Submitted by Andrea Suhaka, Mark Grotto and Ken Lucas

### Centennial Top 5 Most Customer-Friendly Cities

When it comes to friendly businesses, Centennial makes an impression. Yelp has named Centennial as one of the Most Customer-Friendly Cities in America. Yelp, the San Francisco-based website that enables consumers to review businesses, launched the Bizzie Awards this year as a way to celebrate the most customer-friendly small businesses and communities in the U.S., and Centennial came in at No. 5. To determine the 2016 Bizzie Award winners, Yelp assessed businesses of all types and measured them based on their proactive approach to customer engagement and interactions on Yelp through review responses, messaging and other tools that help business owners connect directly with customers. Centennial was the only Colorado city to earn a spot on the top-10 list.

### Changes in Snow Removal

Results from the 2016 Citizen Survey show respondents identified "increased snow plowing" and "sidewalk snow removal" as important priorities for Centennial. In time for this upcoming snow season, City Council has approved the purchase of 5 additional snow plows. With the addition of these plows, major and minor arterials (all City streets but not residential) will be plowed simultaneously. If more than 6" of snow falls during one storm event, plowing of residential streets will be authorized.

### Coyotes in Centennial

Recently there have been a number of coyote sightings and in some instances, coyotes have attacked pets and approached people. Please always report a coyote encounter or incident by contacting Centennial Animal Services at 303-325-8070. If you have an emergency regarding this matter, call 911.

***If you live near or adjacent to a park, trail, golf course, or natural area:***

- Teach our children about the presence of urban wildlife, to never approach wild animals and to never feed wildlife.
- Pet Owners: Always supervise your pet outside, especially at dawn and dusk. If you must leave your dog outside, secure them in a fully enclosed kennel that is securely attached to the house. Keep your dog on a short (6-foot) leash when out for a walk and never allow them to interact or play with wildlife.
- Remove things that attract wildlife from your yard such as pet food, water sources, fruit from trees, and fallen debris from bird feeders.

***If you are approached by a coyote:***

- Do not run or turn your back.
- Be as big as possible; use arm gestures to exaggerate your size.
- In a loud, forceful voice, command the coyote to go away.
- If the coyote does not leave the area, back away slowly while still facing the coyote.
- Pick up any small pets or children that are with you.
- Carry hazing tools and other deterrents including small rocks, a loud whistle or an air-horn.

For additional information, contact the City of Centennial, 303-325-8070, or Colorado Parks and Wildlife, 303-291-7227.

## National Preparedness Month

No one can predict when a disaster will happen, but being prepared will help you and your family know what to do when it does. READYColorado has some tips to help you be prepared.

**Make a Plan:** Create a Family Communications Plan to assist when disaster strikes and your family is not together. Decide how you will contact each other and review what to do in emergency situations. Develop a Household Plan to help you know what to do when you need to leave your home and what to take with you. Don't forget your pets! They need a plan, too.

**Stay Informed:** Sign up for county emergency alerts. Listen for warning sirens and watch the local news. Visit Colorado's Division of Homeland Security and Emergency Management webpage for current disaster information and updates.

**Get Involved:** When you can, pitch in and help. More information can be found at [www.readycolorado.com/get-involved](http://www.readycolorado.com/get-involved) on how you can donate time or money to those in need.

## TLC MEALS ON WHEELS DRIVING AWAY HUNGER

TLC Meals on Wheels promotes dignity, well being, and independence for those whose age or disability makes it difficult for them to provide their

own balanced nutrition. Monday through Friday our volunteers deliver nutritious, freshly made hot meals at lunch, helping those in need stay in the security and comfort of their own home. For many of our clients, our volunteer delivery drivers are the only personal contact they have on a daily basis. In short, we address both hunger for food and hunger for personal contact.

And it's not just our clients who benefit. Volunteers find the relationships they develop with our clients and the difference they make in the lives of those they serve very fulfilling. Our volunteers, many of whom have been with our program for years, serve in a variety of roles, from delivering meals, to working in the kitchen and helping out in the office.

Would you or someone you know benefit from our weekday meal service? Or would you like to volunteer and experience firsthand the joy a meal and a smile can bring? If so, please contact TLC Meals on Wheels at 303-798-7642 or visit our website at [www.TLCMealsOnWheels.org](http://www.TLCMealsOnWheels.org).

# Stay Safe This Halloween

Check out these tips to help make the festivities fun and safe for trick-or-treaters and party guests.

- S** Swords, knives, and other costume accessories should be short, soft, and flexible.
- A** Avoid trick-or-treating alone. Walk in groups or with a trusted adult.
- F** Fasten reflective tape to costumes and bags to help drivers see you.
- E** Examine all treats for choking hazards and tampering before eating them. Limit the amount of treats you eat.

**H** Hold a flashlight while trick-or-treating to help you see and others see you. WALK and don't run from house to house.

**A** Always test make-up in a small area first. Remove it before bedtime to prevent possible skin and eye irritation.

**L** Look both ways before crossing the street. Use crosswalks wherever possible.

**L** Lower your risk for serious eye injury by not wearing decorative contact lenses.

**O** Only walk on sidewalks whenever possible, or on the far edge of the road facing traffic to stay safe.

**W** Wear well-fitting masks, costumes, and shoes to avoid blocked vision, trips, and falls.

**E** Eat only factory-wrapped treats. Avoid eating homemade treats made by strangers.

**E** Enter homes only if you're with a trusted adult. Only visit well-lit houses. Never accept rides from strangers.

**N** Never walk near lit candles or luminaries. Be sure to wear flame-resistant costumes.
