## DECEMBER 2015 BUDGET LETTER

**By Martin Garrity**

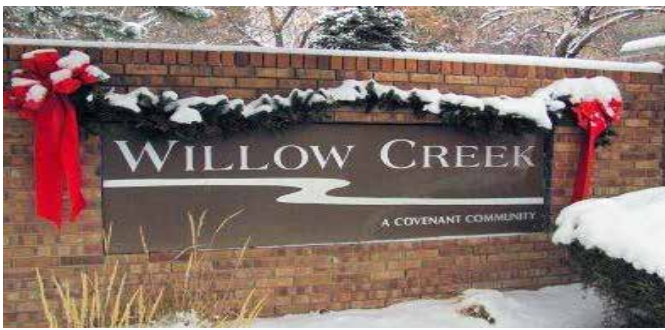

At the December meeting the Board of Directors completed the budgeting process and approved the 2016 Budgets. The Board would like to thank those members of the community who gave of their time to assist in the budgeting process by being members of the Budget Committee. This year the Budget Committee members were Sharon Briggs, Jerry Grant, Ted Miller, Jeff Stevens and Jay Weber. The Treasurer chairs the Budget Committee. Our community budget actually consists of five separate budgets: General Operating, Townhome Operating, General Reserve, Townhome Reserve and Townhome Water. The dues for Single Family homes contribute to General Operating and General Reserve. Townhome contributions are applied across all five budgets. The budgeting process consists of xxxxx distinct phases. Throughout the year the Board will manage expenditures against the approved budget. In preparation for the Budget Committee meeting the Treasurer working with Hallmark Management will estimate what we believe the balances of the different funds will stand at the end of the year. The Budget Committee will recommend spend to the Board for the following years. Using the end of year balance and recommended spend, the budget committee recommends dues contribution for each of the five funds. The work of the Budget Committee is reviewed by the Board, and is either approved or rejected. This year the recommendations were approved.

Looking at the budgets in a little more detail. A wet spring, which meant less watering and reduced costs to heat the pool, contributed the Operating Budget ending 2015 under budget. For 2016 we have a budget of 579K, almost half (44%) of the budget goes toward the maintenance of our 23 acres of common space. Utilities (trash, water, gas/electric) account for another 27% of the budget. Bottom line there is very little discretionary spending in the General Operating budget. The Board has determined that we want to continue to invest in community outreach and activities including a Grand Opening reception once the remodeling of the clubhouse are complete. The remodeling of the clubhouse will be funded out of the General Reserve. The contributions for all homes to the General Reserve will remain unchanged from last year. While the wet winter and spring was good for our watering spend, it had very negative impact on the amount of shoveling required. The Townhome Operating budget is primarily for winter snow removal and with the snows last spring and the major storms this fall, we are over budget for 2015. After reviewing several options the Budget Committee determined that we would need to increase the Townhome operating budget in 2016 to address the shortfall. This will have a net impact of 5\$ per month on the townhome dues.

As always the budget committee worked diligently to be fiscally prudent while looking to maintain our community. Should anyone wish to assist in the budgeting process next year please contact Martin Garrity or Hallmark Management.

As decided by the Board, effective February 1st, the Townhome dues will be \$131.00 and Single Family will be \$90.

**"The Board of Directors is aware that its management company, Hallmark Management, does not have a Community Association Manager license as is required by the State of Colorado. The board is working to resolve this issue immediately and will update the residents as is appropriate."**

## TLC MEALS ON WHEELS DRIVING AWAY HUNGER

TLC Meals on Wheels promotes dignity, well being, and independence for those whose age or disability makes it difficult for them to provide their own balanced nutrition. Monday through Friday our volunteers deliver nutritious, freshly made hot meal at lunch, helping those in need stay in the security and comfort of their own home. For many of our clients, our volunteer delivery drivers are the only personal contact they have on a daily basis. In short, we address both hunger for food and hunger for personal contact.

And it's not just our clients who benefit. Volunteers find the relationships they develop with our clients and the difference they make in the lives of those they serve very fulfilling. Our volunteers, many of whom have been with our program for years, serve in a variety of roles, from delivering meals, to working in the kitchen and helping out in the office.

Would you or someone you know benefit from our weekday meal service? Or would you like to volunteer and experience firsthand the joy a meal and a smile can bring? If so, please contact TLC Meals on Wheels at 303-798-7642 or visit our website at [www.TLCMealsonWheels.org](http://www.TLCMealsonWheels.org)

January 2016

#### CCSD Students Score Above State Averages On Cmas/Parcc

**Tests:** Colorado Measures of Academic Success/PARCC results for the Cherry Creek School District outpaced the state averages in all content areas on the tests given in the spring of 2015. The results also mirrored the trends seen in the statewide outcomes. For example, fourth grade scores in English Language Arts in the district and statewide were the highest of all grades and subjects. Eighth grade scores in Math were the lowest. Read more about what these scores mean at <http://bit.ly/1lmcr8g>.

#### CCSD Board Of Education Sets Annual Mill Levy Rate:

The Cherry Creek School District Board of Education set the mill levy rate for property taxes at their regular meeting Monday, Dec. 14, 2015. Due to TABOR limits the mill levy will decline in 2015 for Cherry Creek from 25.712, to a 2015 base mill rate of 22.494 for the local contribution to the financing of public education. Cherry Creek is one of just three school districts in the state that has not "de-Bruced," which allows school districts and other government agencies to keep tax revenues above the rate of inflation and population growth. That means that despite a large increase in property values in the last few years, residential property taxes in the Cherry Creek School District will increase by just 3.09%, or an average of \$4 per year on an average priced home. In comparison, households in Denver, Jefferson, Douglas and Boulder School districts are estimated to see an increase in property tax averaging from 11% – 15 % (\$14 - \$41) per year.

#### CCSD Community Night With The Colorado Avalanche:

Enjoy the Colorado Avalanche vs. the Nashville Predators at 7 p.m. on Fri., Jan. 8 at the Pepsi Center and support the Cherry Creek Schools Foundation at the same time! Tickets are only \$24. For more information and to order tickets, please visit: <http://www.ksegroups.com/landing.aspx?lpid=z3XfnSnUbY0=&lpo>
