## Letter from the Board

We are fortunate in Willow Creek III to be able to enjoy great summer-time amenities and community activities. If you are new to the community or simply in need of a refresher, here is some information for you.

### Pool

With the start of summer, our swimming pool becomes a center of activity. The pool is a 25-meter, six-lane pool, and includes a children's pool for toddlers. It is open Monday through Friday 11 a.m. to 9 p.m., Saturday and Sunday 9 a.m. to 9 p.m. The pool is professionally managed by Perfect Pools and supervised by lifeguards at all times.

Until the end of its competitive season in mid-July, the Willow Creek III Dolphins youth swim team practices at the pool each week-day morning prior to the opening. The Dolphins have three Saturday home meets scheduled this year. Those dates are June 10, June 24 and July 8. The meets begin at 8 a.m. and are generally completed around 1 p.m. to 2 p.m. If you haven't been to one of the meets, take in the fun. If you would like more information about the Dolphins, email the team at swim@wc3dolphins.com or visit the team website, www.teamunify.com.

### Tennis Courts

Our community also enjoys five tennis courts. And court number five is actually a dual-purpose court, with two basketball hoops in addition to being tennis ready. As part of the court resurfacing scheduled to take place in early June, one of the tennis courts will also be lined for pickleball. Pickleball is an increasingly popular sport. This is the first time we've been able to offer residents this activity as an option.

The courts are accessed with a gate key (not a keycard). In case you want to plan ahead, at the tennis court gate closest to

the clubhouse front door, there is a white mailbox with court reservation information.

Interested in joining a tennis group? The Willow Creek Tennis Club is a volunteer organization that promotes and organizes tennis activities for all ages and abilities encompassing all three Willow Creek home owner associations. Club activities include tennis leagues for juniors and adults, tennis lessons, tournaments and socials. For information on the Willow Creek Tennis Club, email Michael Darling at darling4@gmail.com or visit the club website, www.willowcreektennisclub.com.

### Social Events

There are two community events that traditionally take place each summer at our pool...a Fourth of July Celebration and an End of the Season Pool Party in August. These are family-friendly events. Even if you aren't a pool regular, the parties are a great opportunity to see what the pool is about, enjoy some food and spend time with friends and neighbors.

Details on these and other summer social activities will be published in future Willow Works, sent by email notification from Spectrum and posted on WillowCreek3.com.

### Pool Keycard and Tennis Court Key Availability

If you need a pool keycard (new ones are required this year) or a tennis court key, contact either Amanda Phifer (aphifer@scres.us, 303 409-6018) or Ryan Heath (rheath@scres.us, 303 409-6030) at Spectrum.

June 2017

The newly remodeled clubhouse is a great place for all of your events. Use it for your next birthday party, family reunion, club meeting, anniversary, corporate event, wedding reception or graduation. We have 48 chairs, 2 banquet tables and 10 card tables. Dates fill up fast so call or text to make your reservation now!

## June 2017 ACC Corner

Submitted by Jeffrey Stevens

The Architectural Control Committee (ACC) meets on the first Monday of the month in the clubhouse. The meeting starts at 7:00. Plans and requests that have been submitted over the previous 30 days to the management company are evaluated according to Willow Creek III guidelines and covenants. It is a good idea to plan ahead since approval for anything other than basic requests requires discussion by the ACC committee.

A reminder about notices placed on the mail kiosks; please remove them after a suitable time frame, about 7 days. And if you observe a notice that has been in place for an extended period of time, recycle it.

## Fireworks Advisory, Arapahoe Sheriff

As Independence Day approaches, it is important to know where one can celebrate the holiday safely. It is also essential to understand the legal ramifications regarding the use of fireworks. The City of Centennial has adopted ordinance 2004-17 section 10.10.30 that bans the sales, use, and possession of all fireworks within the city limits. Other cities in Colorado have adopted similar ordinances. The maximum fine for possession and/or use of fireworks within Centennial is \$1,000.

In order to avoid accidents and legal consequences, the Arapahoe County Sheriff's Office recommends that you celebrate the holiday by watching professional fireworks shows. To report fireworks violations, or file a complaint of fireworks usage in your area, call 303-795-4711. For all true emergency situations call 911.

## Clubhouse Trash Policy

Those who rent the Willow Creek 3 clubhouse will now be required to take away their trash and recyclables. This is the same policy followed by the Willow Creek 1 and 2 clubhouses, and eliminates the problem of trash sometimes accumulating at the containers behind our clubhouse. Those containers have now been removed.

During the summer pool season, trash containers will be available for pool use only, and will be maintained by pool employees.

### County moves to appointments for driver's license and ID services

The Arapahoe County Clerk and Recorder's Office will move to appointments only for all driver's licenses, ID cards and driving records beginning June 1. These services will no longer be available on a walk-in basis. Appointments may be scheduled online at [www.arapahoe.gov/dmv](http://www.arapahoe.gov/dmv).

Arapahoe is one of only 2 metro-area counties that offer limited driver's license and ID card services on behalf of the State. The change to appointments will help the County better manage demand for these services, while fulfilling its statutory duty to process motor vehicle titles and registrations for County residents. The appointment system also will reduce wait times for motor vehicle transactions by freeing up more employees during periods when the Clerk's offices are typically busiest.

Appointments will be available Monday - Friday (excl. holidays) at the Clerk & Recorder's Littleton Branch (5334 S. Prince St, Littleton) and Centennial Branch (6954 S. Lima St, Centennial). Available appointments will include:

- Driver's license renewal (includes name, address or gender changes or motorcycle endorsements);
- Colorado ID cards;
- First-time driver's license with proof of completed driving test; and
- Motor vehicle driving records.

A 20-minute timeslot is required for every person who needs a driver's license renewal or ID card. A 5-minute timeslot is required for every driving record. Arapahoe County does not offer written or driving tests, commercial driver's licenses, restricted licenses, reinstatements, hearings, or replacement licenses for drivers under age 21. The County also cannot serve customers with immigration documents. Individuals who need full services, walk-in availability or who hold immigration documents should visit a State driver's license office. The nearest locations are at County Line and Broadway in Littleton, and at Parker Rd and Cottonwood Dr in Parker.

# Minutes of the May 11, 2017 WC 3 Board of Directors Meeting

CALL TO ORDER:	Jay Weber called the meeting to order at 7:00 p.m.	
ROLL CALL:	Board members present: Jay Weber, Bob West, Fred Kremer, Bob Correll, Chris Mumfrey, Mike de Rosayro. Ryan Heath of SCRES was present.	
COMMITTEE & OFFICER REPORTS:	<ul style="list-style-type: none"><li>• Grounds: Elizabeth Wood of JBK Landscape said aeration of the grounds is completed. Thursdays will be mowing days. The cost for removal of downed tree limbs from the recent storm was \$1,300. Approximately 20 new trees that have been budgeted for planting will be planted in the fall. During the summer JBK will assess the best locations for the new trees and will provide a list of the four or five varieties to be used.</li><li>• Clubhouse: Ryan Heath reported 14 new rentals, six re-rentals. The clubhouse has new arm chairs, new folding chairs and new basement shelving. The furniture and shelving were paid for using a credit from an online retailer because furniture previously purchased from the retailer had broken. Chris Mumfrey said the potted decorative tree in the meeting area has died and needs replacing. Ryan Heath said the melted garbage disposal switch in the kitchen has been replaced. Ryan will look into having an electrician change the location of the disposal switch.</li><li>• ACC: Jeff Stevens presented a townhome owner’s request for a front double-hung window with grids to be replaced by a slider window with grids. The ACC had approved the request but wanted the board to review the change. The board agreed to allow the change. There was discussion about the proper grade for drainage in front of the townhomes.</li><li>• Social: No report</li></ul>	<ul style="list-style-type: none"><li>• Website: Bob Correll reported that the ACC, in cooperation with Sherwin-Williams, has provided a link to view our single-family home paint colors online. All but four custom colors can now be viewed by clicking on the link posted on the Painting/Roofing&amp;More page at WillowCreek3.com.</li><li>• Swim Team: Pool keycards will be made available to five swim team officials prior to pool opening. Fred Kremer said that the swim team would like permission to place swim team signs in front yards for the summer. The board denied the request, indicating only appropriate political and real estate signs are allowed.</li><li>• Pool: Chris Mumfrey reported that pool cleanup has started and the pool equipment is working well. Lifeguards are being hired by pool management. Lifeguards have been hired for an upcoming elementary school party. The costs will be covered by the party organizers. Our attorney, reiterating a prior opinion, says no swimming will be allowed without a lifeguard. A resident asked about plastic that appears to be disintegrating in the pool area that is part of a solar cover. Chris Mumfrey will talk to pool management about a new solar cover.</li><li>• Tennis: No report.</li><li>• Welcoming: No report.</li></ul>
HOMEOWNER FORUM:	A resident said he felt the financial reports are not correct and that this has been an ongoing problem. A resident offered to have an online tennis court reservation system created to replace the current paper system.	
EXECUTIVE SESSION:	The board went into executive session to discuss a legal opinion with attorney David Graf.	
MINUTES APPROVAL - APRIL 13 2017 On a motion by Bob West, seconded by Bob Bartlett, the minutes were approved with the addition of Fred Kremer’s name to the individuals that reviewed the HOA insurance bids.		
UNFINISHED BUSINESS:	<ul style="list-style-type: none"><li>• Irrigation: Jeff Stevens reported that the sprinkler system has been turned on. There is a backflow valve at the top of the large greenbelt that is leaking below ground and needs to be replaced. On a motion by Chris Mumfrey, seconded by Fred Kremer, the board agreed to budget up to \$5,000 for the repair. Ryan Heath will arrange for estimates and for the work to be done.</li><li>• Tennis Courts: By email on April 19, the full board unanimously voted to decline the previously approved bid from All Seasons Courts because the company could not be reached after multiple attempts, and to accept the bid from Coatings, Inc. for \$60,000 to resurface the five tennis courts and line one court for pickleball.</li><li>• Insurance: Chris Mumfrey, Fred Kremer and Jay Weber reported a new HOA insurance provider has been selected.</li><li>• Pool Keycard Distribution: The second distribution of new pool keycards will take place at the clubhouse on Saturday, May 13.</li><li>• 2017 Paver/Wall/Drainage Project: Ryan Heath said that work on an additional row of townhomes is expected to start by the end of May.</li><li>• Ryan Heath has received bids to paint the electrical boxes that control the irrigation system. He will look for additional options that may be more cost effective.</li><li>• Ryan Heath reported that a large SUV without rear license plates that had been parked in the townhome area for a long time has been towed.</li><li>• Ryan Heath will schedule work on a clubhouse kitchen vent pipe that needs to be covered outside.</li></ul>	
NEW BUSINESS:	<ul style="list-style-type: none"><li>• Truck Parking: Under review.</li></ul>	
FINANCIAL REPORT:	<ul style="list-style-type: none"><li>• April 2017 Financials: Jay Weber and Fred Kremer will meet with Ryan Heath at the Spectrum offices to review how Spectrum’s HOA financial reports are being compiled and reported.</li><li>• Delinquent Aging Report: On a motion by Bob West, seconded by Bob Bartlett, the board approved sending to our attorney for action any delinquent amounts over \$400 due from residents. The amount previously was \$600.</li></ul>	
ADJOURNMENT:	On a motion by Chris Mumfrey, seconded by Fred Kremer, Jay Weber adjourned the meeting at 9:15 p.m.

# History of Father's Day

Sonora Dodd, of Washington, was one of the first people who had the idea of a "Father's Day." She thought of the idea for Father's Day while listening to a Mother's Day sermon in 1909.

Sonora wanted a special day to honor her father, William Smart. Smart, who was a Civil War veteran, was widowed when his wife died while giving birth to their sixth child. Mr. Smart was left to raise the newborn and his other five children by himself on a rural farm in eastern Washington state.

After Sonora became an adult she realized the selflessness her father had shown in raising his children as a single parent. It was her father that made all the parental sacrifices and was, in the eyes of his daughter, a courageous, selfless, and loving man. Sonora's father was born in June, so she chose to hold the first Father's Day celebration in Spokane, Washington on the 19th of June, 1910.

Even before Dodd, however, the idea of observing a day in honor of fathers was promoted. Dr. Robert Webb conducted what is believed as the first Father's Day service at the Central Church of Fairmont, West Virginia in 1908. It was Dodd's efforts, however, that eventually led to a national observance.

President Calvin Coolidge, in 1924, supported the idea of a national Father's Day. Then in 1966 President Lyndon Johnson signed a presidential proclamation declaring the 3rd Sunday of June as Father's Day.

# June Garden Tips

By: Susan Hardin | Douglas County Master Gardener

June is the time when it is safe to plant anything in the garden if you haven't already. Although there still may be some afternoon storms (i.e. watch out for hail), the temperatures are consistent enough that vegetables can be safely planted in the ground. Make sure all plants have been "hardened off." This means that plants, especially greenhouse plants, must be gradually exposed to outdoor temperatures. For a climate summary for Castle Rock, Littleton, and Parker, follow this link: <http://www.ext.colostate.edu/mg/Gardennotes/742.pdf>.

- Give turf a light feeding, as well as provide roses with monthly nutrition. All flowering and fruiting plants should be fed a concentration of higher phosphorus fertilizer. If you wish to avoid chemicals, fish emulsion is an organic option. Two informational links: <http://planttalk.colostate.edu/topics/lawns/1533-fertilizing-lawns-spring-summer/> and <http://planttalk.colostate.edu/topics/trees-shrubs-vines/1720-when-to-fertilize/>

- Examine plant material (both sides of leaves) and watch for pests, especially aphids (<http://planttalk.colostate.edu/topics/insects-diseases/1402-aphids/>).

Plumbing since 1997!

- After flowering shrubs have put on their show it is okay to prune as necessary ([www.ext.colostate.edu/mg/Gardennotes/616.pdf](http://www.ext.colostate.edu/mg/Gardennotes/616.pdf)).

- Do not remove dying green leaves on spent spring bulbs, as those leaves help feed the bulb for next year (<http://planttalk.colostate.edu/topics/annuals-perennials/1010-bulbs-maintaining/>).

- To keep more blooms coming, regularly deadhead any annuals or perennials (<http://planttalk.colostate.edu/topics/annuals-perennials/1072-deadheading-how-to-and-when-to/>).

- Hanging baskets and container plantings need to be watered at least daily, sometimes twice a day in hotter weather (<http://extension.colostate.edu/topic-areas/yard-garden/container-gardens-7-238/>).

- Bark mulch is a good insulator that helps regulate ground temperature, protects roots, and helps keep moisture from evaporating from the soil. Consider putting down 3 inches or so, keeping all bark away from the crown/stems/trunks of plants, shrubs, and trees. ([www.ext.colostate.edu/mg/gardennotes/245.pdf](http://www.ext.colostate.edu/mg/gardennotes/245.pdf)).

Happy gardening!

# Willow Creek Women's Club

The Willow Creek Women's Club has had the last two general meetings until our kick-off open house in August. We are thrilled with membership participation. The WCWC Board has been sensational, and a special thanks to them for all the behind scenes work they have contributed.

The Thursday Night Gathering (second Thursday of the month) has been a very popular event. Thanks to Fiona Maguire-O'Shea, as this was her brain child. Again, Board members helped greatly with the success of this new event. Daytime meetings (third Wednesday of the month) have also been enlightening and educational with focus on safety, physical fitness, nutrition, travel, home gardening and baking.

We thank the efforts and contributions of members who have sponsored our special events (holiday tea, girls' night out and spring fling). These programs make the entire Willow Creek neighborhood a unique, lively, viable area for residents! We are very fortunate to live here.

The 2017-2018 Willow Creek Board of Directors:	
Elected Positions	Committee Positions:
President: Open	Membership: Michele Sage
Co-President: Fiona Maguire-O'Shea	Publicity: Mary Bonelli and Anne Bonelli
Treasurer: Sue Preston	Activities: Jean Duggins
Secretary: Jean Duggins	Hospitality: Barb Jongeneel
	Programs: Kathryn Schindler
	Members-at-Large: Renee Bose-Hall and Christine Justino

For information regarding the President open position, please contact Past-President, Elizabeth Fry at [eeaf@aol.com](mailto:eeaf@aol.com).

Be sure to save the date for Friday, September 15, from 1-4pm for the WC Annual Home Tour. Now is your chance to volunteer your home or nominate a neighbor's home for this community event. This year's tour is in the afternoon and at the end of the week to hopefully include more homeowners and visitors. Sponsored by the WCWC, the home tour offers an opportunity for all homeowners from WC 1, 2, 3 and West to showcase their single-family home, townhouse or patio home. If you're interested in volunteering as a featured home, contact Christine Justino at 303-916-3475 or [cjustino@yourhomepro.net](mailto:cjustino@yourhomepro.net).

**Willow Creek Women's Club meets monthly, September through May, usually on the third Wednesday at 9:15 a.m. For additional information, please check our website.**

Centennial offers a variety of free special events for the community throughout the year! See our tentative schedule of events below: live music, movies, car show, laser light show, food trucks and much more!

## Bee Swarm!

by Ken Carlson

Bees are at a critical stage of decline! We need to try and preserve this important pollinator for the sake of our gardens as well as our agriculture. If you see a swarm in your yard or greenbelt and would like it removed, please call Deb Dubois 303-579-2942, Tod McKercher 303-801-8922 or Ken Carlson 720-971-9133. We will try to be there to attempt to remove the swarm after 4pm weekdays or all day on weekends. We can't get swarms that are in walls, attics or other difficult locations.

Bees that are in a swarm are not very aggressive and should not be dangerous when treated with some respect. Do not spray with pesticides or water. They will generally remain in the swarm for several hours. If they leave, it means they found a new home which is great! Your garden will benefit from these busy, buzzy neighbors!

# Bring crazy fast fiber Internet to Willow Creek!

Pre-order today!

## A great town deserves great Internet.

That's why we want to build a fiber network here, to bring the fastest Internet available to Centennial. We're talking symmetrical gigabit Internet. 1000 Mbps download and 1000 Mbps upload.

This is next generation Internet that has huge benefits not just for homes but for businesses too. An Internet connection that doesn't slow down no matter how many people in the house, or in the city, are online.

stream videos without buffering

video conference without delay

unlimited monthly data usage

surf the web with no load time

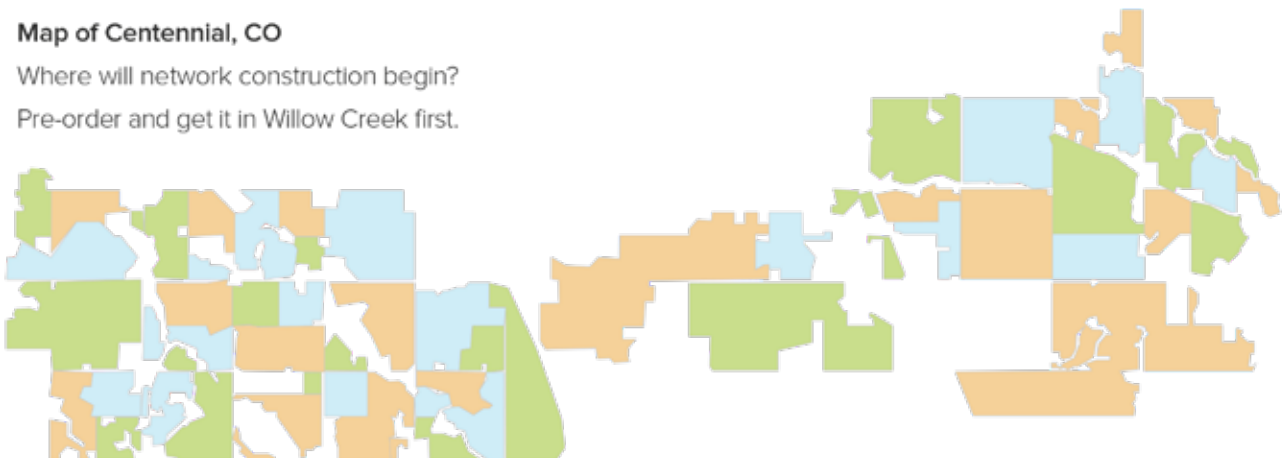

## Pre-order to bring Ting Internet to Willow Creek first

Placing a \$9 pre-order doesn't just cast a vote for your neighborhood and in Centennial at large, it also secures you free installation for Ting gigabit fiber Internet to the premises.
