Letter from the Board

The Willow Stock music festival on Aug 27, 2022, at the Willow Way Pool/Tennis Courts near Willow Creek Elementary School. Board approved a contribution of \$500 for the event for services.

Tennis Liaison from WCTC is Bonnie Baker. Bonnie got the online scheduling system up and running, and Bonnie set the parameters. You can reserve for 1 time slot per day for up to 2 hours for courts 1,2 and 3. Bonnie reminded the board that Junior Team Tennis practices start in June.

Tennis Courts. Board approved a project to acquire and install the gate locking mechanisms. We will be updating the Memorandum of Understanding (MOU) with the WCTC. There was a Willow Creek all-HOA (1/2/3) meeting in May to discuss the MOU. We plan to get court number signs for the courts.

Social Committee. The committee is planning a June 3rd 430pm-8pm party at pool, and a July 4th party. "More helping hands make the effort easier". To join and help the committee plan and run these events, send that message to fiona_emeraldisle@yahoo.com..

Architectural Control Committee (ACC) – More community members are volunteering for the ACC. ACC had a meeting on 2 May, and has performed 190 walk-thru inspections, and should be done with the rest of the 515 WC3 homes by the end of May. Accwillow3@yahoo.com is the ACC's email address. The ACC is looking for violations like: house needs to be painted, mailbox fell down, grass is 1 foot high and needs to be mowed, and so on.

The Board's Grounds Committee met in April and May, including a walk-thru meeting. We're considering projects with shade structures near the tennis courts and pool. Also considering replacement of sidewalks in the greenbelts. We will prioritize the projects by year for the next 10 years. Goals include maintaining amenities to maintain property values, and reducing water use.

Townhome Pavers. This project was started in 2010 in which the HOA paid for installing the pavers around the townhomes. Our goal is to do five rows this year. Aidan asked HG in January to get the bid.

Tennis Talk

By Michael Darling

USTA league spring season, aka 18+ has two weeks to go. At least one WCTC team (M3.5 Green) is in first place and, of course, will continue to celebrate early and often.

All WCTC players and anyone who plays at the Mineral tennis courts, PLEASE recycle your tennis balls in the recycle bin for tennis balls near the lower courts. JUST TENNIS BALLS – not because WCTC is excluding other sports or non-tennis neighbors, but that bin is only for tennis balls.

Willow Creek HOA 1, 2, and 3 met recently and agreed to update the Memorandum of Understanding that created the Willow Creek Tennis Club. The current document is dated 2009 – and some things regarding Willow Creek tennis have changed. The most noticeable is that there are more players wanting to play tennis and less tennis court availability.

More players because Willow Creek tennis is fun! And less tennis court availability due to things like pickleball, planetary alignment, and HOA willingness or ability to contribute courts to WCTC. And this season, construction. WC3 tennis court upgrade should be complete in June. But still, USTA, Colorado Tennis and South Suburban Parks and rec (biggest tennis facility in Colorado) project continued growth in desire for tennis court time and no predicted increase in tennis court availability in our area.

At the recent WCTC meeting, those present voted to allow only good weather so no make- up matches would be required. We also voted to have USTA adjust match rules so tennis courts lost to “blended markings” (pickleball, basketball, volleyball, etc) may be used. Like the weather, USTA rules are out of WCTC control. We voted anyway. Maybe next time we can vote on a later sunset. Or a signature beverage for WCTC tennis. (Memorial Day to Labor Day, I nominate G&T, with lime).

A reminder about scheduling court time. WCTC schedules league matches and other things like the WC Classic Tournament and WCTC socials.* WC1, WC2, and WC3 have specific rules and procedures to reserve tennis court time for their HOA residents. Check with your HOA for your rules.

- WC Classic tournament – no firm announcement yet, but hold the dates Sep 8- 11.
- WCTC Socials Jul 15, Aug 15, and TBD

ACC Corner June Edition

The newly formed ACC committee has completed their walkaround of the neighborhood. I would like to share some of the common items we saw both on single family and townhomes.

Home painting: This was a very common item noted, because of the 2-year hiatus of contractors and probably homeowners caused by the pandemic there are a lot of both single family and town row homes that need painting. In accordance with our covenant and policies we will need to fill out a paint application. Single family homes have some new colors added and old colors removed so be sure to go to the Willow Creek 3 website for further information. Please submit your application to “willowcreek3paint@gmail”. Our ACC paint coordinator will approve your application, single family homes cannot paint their homes the same color as neighbors to the left and right or directly in front of them, the town homes have specific colors assigned to their rows.

Trash Cans: In accordance with our policies, trash cans must be stored out view. There are many homeowners that leave them to the side of their home and in front of their garage. To avoid possible violations please store your trash cans at the side of your home behind the fence line. Waste Connections also provide smaller cans, please call 303-288-2100.

Greenbelt/Common area fences: A lot of the split rail and picket fences are original to the neighborhood and are now in need of replacement, please get with your neighbor and plan accordingly.

Dead Trees & branches: There are many dead trees and branches within single family homeowners’ property. For the safety of your home and your neighbors address the dead limbs and trees.

Driveways: Single family driveways are beginning to crack excessively. We understand that this is a major expense on you, please assess your driveway and plan, there are a few driveways that need immediate attention.

Shrubs & bushes: when planting close to sidewalks please trim all bushes and shrubs back, they cannot impede pedestrians and they cannot cover/hide fire hydrants.

Mailboxes: Single family mailbox post loose and mailboxes discolored.

Xeriscaping: As this landscaping design is becoming more popular it is not maintenance free, please weed and re-establish the rocks yearly.

Grass watering: With an upcoming dry summer please follow Denver Water restrictions. As of this time of writing the restrictions are as follows- no watering between 10am & 6pm, water no more than 3 days per week. Please go to Denver Water website for additional information.

If you have any concerns or questions, please contact the ACC @ accwillow3@yahoo.com. As always, any exterior home improvement to your home must be approved by the ACC. The application is available on our website “willowcreek3.com”. The ACC are also be available in person the first Monday of every month at 6pm.

Letter from the Board

Continued from front page➡

Groundskeeping. Vendor JBK reported that Spring services have started, including clean-ups. Everything is on schedule. Next services are pruning and clearance of trees. Fertilization completed. Mowing, trashing, weeding completed. Today was first day to get all of that done. Aidan asked about the entrance island and monument (the Willow Creek sign) to get all of that cleaned up to get a quote for that. Board asked about adjusting some of the sprinklers to reduce water usage. Vendor rep Reg asked about the locking system to be installed on the tennis courts because the previous locks had 2 different keys and it was a little confusing.

Sprinkler System. The vendor Southwest Irrigation re-installed the backflow valves and started up the system, but we turned it off because of a big water leak. Brightview worked on shutting off the sprinkler because of the leak. Just a reminder to everyone: we detach the backflow valves as part of winterization and reinstall these during the Spring start-up.

The WC3directors@gmail.com emails. Your email will be answered as soon as possible, and the goal is to answer within 3 days.

How you Pay Your Monthly Dues is Changing. HG will be sending out the coupon books starting the week of May 16th.

HOA Sidewalk Hazard Repairs & Townhome Alley paving. Sidewalk Milling, Grinding, Shaving was not done May 9th. We will schedule this again.

Swim Team. Steve Holst from the WC3 Dolphins Swim Team attended the board meeting and mentioned that practice starts the week of May 16th after school for 2 hours from 4:30-6:30pm. After Memorial Day weekend, practice changes to the mornings, starting May 31st, from 0730-1030. 87 swimmers are signed up as of this writing and more are expected to join. This is 10 more than last year! At least 66% of the team's swimmers are from WC3. This year's Home Meets are the Saturdays of June 11, 25 and July 9. The 16 July championship and the 23 July All Stars meets are away meets. See the wc3dolphins.com website for more information.

Swimming Pool – Vendor Perfect Pools informed HG that will be ready for normal use starting on the Memorial Day weekend. Remember that the pool cards will be in use at the start of the season.

Pool manager reported that the pool is being prepared and will be ready for swim practice on May 16. Lifeguards are being trained. All mechanical equipment is working normally.

Welcoming Committee. If you are interested in being on the committee, please call HG. The committee delivers a bag of vendor/community information to new members of the HOA.

Website. Bob Correll is the willowcreek3.com webmaster. He posts the board minutes on the site.

City street (not alleyways) repairs – if you see potholes in the city streets, please submit a request for repair using the City of Centennial website [no, it will not cost you to report it]: <https://www.centennialco.gov/Government/Departments/Public-Works/Street-Maintenance>.

A Note From The Avenue One Properties Team

Dear Homeowner:

As you have now heard Avenue One Properties, your community's HOA management company, is making service improvements including the transition to a new homeowner management software (Vantaca) and partnering with a HOA focused bank (Pacific Premier) to provide enhanced communication flow, payment processing, database management, banking, web services and more. Effective June 1, 2022, we will go live with these changes. Your current homeowner account access will no longer be available after May 13, 2022. Please review the payment methods below and any associated actions you may have to take to ensure uninterrupted payments.

Payments cannot be made or accepted between May 14 and May 31, 2022.

Your new account will be available as of June 1, 2022.

- Account access will be emailed to each homeowner (whom we have email addresses for) on June 1st, with a portal key. The portal key will allow you to access your homeowner account in our new system.

- **ACH (automatic debits from your bank account):** If you have been set up on ACH through HGM, your ACH will **NOT** continue with your HOA's new bank. You will need to take further action by setting up ACH in your new homeowner profile. Current ACH accounts have been turned off. Starting June 1, 2022, you will be able to set up ACH in your new homeowner profile by accessing your new HOA account at www.ave1properties.com. If you sign up for ACH in June, your next regular assessment payment will be taken on July 10, 2022.

- **Online Payments (homeowner setup):** You will be able to make a one-time payment or set up your own recurring online payments using either a checking account or credit card. If you previously set up your recurring online payments, these will NOT continue with your HOA's new bank.

Beginning June 1, 2022, all ancillary services payments (e.g., clubhouse deposits, pool card fees, leasing fees, etc.), can now be made online through your new homeowner account. You can access your new account on June 1, 2022 through our new website at www.ave1properties.com.

Lockbox Service (mailing your payments): You will be receiving new payment coupons in the mail. Please note: the payment mailing address has changed. Please discard any old coupons or coupon booklets you may have and begin using the new coupons upon receipt. The new address for mailing payments accompanied by a coupon is listed below. Do not send payments to our Littleton office. Payments sent directly to Avenue One Properties will NOT be processed and will be shredded for security purposes. When writing your check, please make sure to make it payable to your Association and include your HOA account number in the memo line. Your account number is reflected in the coupon book.

- **Personal Bank Bill Payment Service:** If you are paying assessments using your personal bank's bill payment service, you must delete your current setup and add a new payee to ensure your payment is posted promptly. Additionally, please be sure to include your account number in the memo line.

Note: Most banks' bill-pay processes mail a physical check. Set your payment date 7 to 10 days prior to the 1st of the month to allow for mail delays and to avoid late fees.

Website: Avenue One Properties' website will be changing to a new domain. The current HG

Management website is still available with limited functionality. If you need documents for your community in the meantime, please reach out to your Associate Manager at support@ave1properties.com.

The full new website, including the new homeowner portal, goes live June 1 and has added functionality to make it easier to navigate for both homeowners and vendors. The new website address is Ave1properties.com and will give you a sneak peek leading up to June 1.

Once our new website has gone live, our current website will automatically redirect to our new website.

We appreciate the opportunity to be of service to you and your community. For more information about these exciting changes, please visit hgmanage.com and click on the "FAQs" section located at the top of the homepage.

Thank you again for your partnership!

Sincerely,

The Avenue One Properties Team

Willow Creek Pets

Dogs must be leashed when they are out and about in our community. Both the city and our HOA require it. City of Centennial Animal Control patrols Willow Creek and will issue warnings and tickets to offenders. There have been serious incidents in the past where unleashed dogs have injured other pets and/or caused residents to be concerned for their safety.

Don't forget to clean up after your pet when dog walking. The city of Centennial (municipal code 7-7-320) as well as Willow Creek 3 policies, require that pet owners remove and dispose of pet waste on any property other than that of the owner or keeper. In other words, when you are out and about with your dog, don't leave a mess. City fines start at \$50 and can include a Municipal Court appearance. And if you see someone not following the rules, please let them know. Also, both Willow Creek 3 and the city require that dogs be leashed and under control when out in the community.
