

Single Family - Paint Request Form
Architectural Control Committee - Willow Creek III - WillowCreek3Paint@gmail.com

Paint Type: Use at least a Satin Finish (NEVER FLAT) **Important:** When ordering, specify for Willow Creek III Single Family Homes and give the color. Sherwin Williams at 7580 Park Meadows Drive has the colors on file.

Painting Requirements: All the vents, stacks, flashing, exhaust pipes etc. on your roof need to be painted to match the color of your roofing material

Important: Failure by the homeowner or their painting contractor to adhere to the approved paint colors will result in the homeowner having to repaint.

Paint company signs are not allowed to be posted before or after the job is completed.
